

Captain's Report

Girls Football v Balladen Primary

On Friday afternoon, the girls football team played their first league game against Balladen. Lots of teachers came to support us. At the start of the match, we felt confident, ready to show our skills. However, unexpectedly, we went 1-0 down after an amazing goal by their defender. The crowd gasped as the ball sailed into the back of the net.

Determined to bounce back, we pushed hard in the second half. Eventually, our efforts paid off when Amara took a shot from outside the box. She sent the ball flying into the net, making it 1-1! Cheers erupted from our supporters, lifting our spirits. It was a thrilling moment that united our team and fans alike.

Later, even though we played with the heart and determination, the match ended in a draw.

Never the less, we were proud of our performance and can't wait for our next game. With more practice and teamwork.

My choice of player of the match is Aisha because she was very good and tried very hard.
