

Captain's Report

Key Stage 1 Athletics Festival

On Tuesday 19th November we excitedly went to the Athletics Festival at the Valley School. Everyone arrived early, buzzing with energy and excitement. We did lots of target fan activities first, such as javelin, long jump, sprinting, target ~~to~~ throws, and beanbag tosses. Each event was fun, and we all enjoyed these exciting games! After that we had some very competitive races that made us ~~cheer~~ cheer loudly for our friends. Many of us tried our best and ran quickly, while others encouraged their teammates. Finally, I would like to say a big thank you to Mrs Khan and Mrs Jamil for their help and support during this amazing after noon. We all a fantastic time together!
