

ST JAMES CE PRIMARY SCHOOL, HASLINGDEN

EVIDENCING THE IMPACT OF PRIMARY PE AND SPORT PREMIUM FUNDING 2025/2026

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

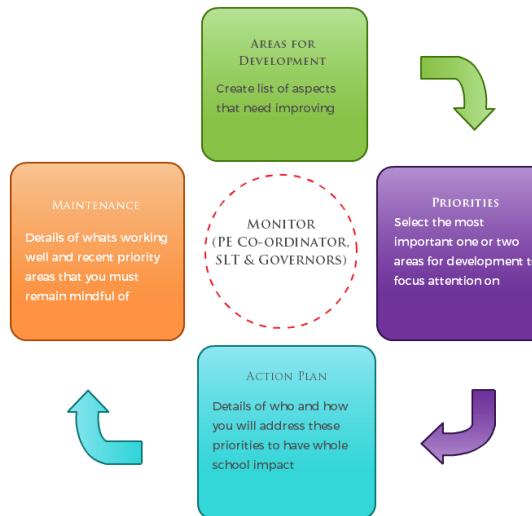

We will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

(Under the [Ofsted Schools Inspection Framework 2015](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this. Schools are required to [publish details](#) of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.)

At St James we consider:

- how much PE and sport premium funding we receive with a full breakdown of how we have spent/will spend the funding*
(Primary PE and Sport premium planning and actions should show how use of funding contributes to our vision through identified school priorities which can be measured through reference to key outcome indicators. It is important that the main drivers for improvement are those identified by the school through our self-review.).
- the effect of the premium on pupils' PE and sport participation and attainment (For example, development/addition to our current PE and Sports activities we currently offer or making improvements that will benefit pupils joining the school in future years).
- how we will make sure these improvements are sustainable
(improvements should enhance, rather than maintain existing provision. For example, where we employ specialist coaches, these are deployed alongside class teachers in order for their impact to be sustainable and to enable the upskilling of existing teachers.)

*Funding can be spent to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

It cannot be used to:

- employ coaches or specialist teachers to cover [planning preparation and assessment \(PPA\)](#) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of [the national curriculum](#) – including those specified for swimming.

SECTION 1A – EVALUATION OF IMPACT/LEARNING TO DATE

In previous years, have you completed a self-review of PE, physical activity and school sport?
Yes

Have you completed a PE, physical activity and sport action plan/ plan for the Primary PE and Sport Premium spend? Yes

Is PE, physical activity and sport, reflective of your school development plan? Yes

Are your PE and sport premium spend and priorities included on your school website? Yes

SECTION 1B – SWIMMING AND WATER SAFETY self rescue focus.

Swimming is an important skill and can encourage a healthy and active lifestyle. At St James' swimming instruction takes place in key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Swimming and Water Safety	
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	80%
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	80 %
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	75%
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No Additional swimming has been funded through pupil premium.

SECTION 2 – REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT?

Key priorities to date: 24-25	Key achievements/What worked well:	Key Learning/What will change next year:
<p>1. Improve the engagement of all pupils in regular physical activity – kick starting healthy active lifestyles.</p> <p>2. Raised profile of PE and sport across the school.</p> <p>3. Increase confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>4. To provide a broader experience of a range of sports and activities offered to all pupils.</p> <p>5. To increase the participation in competitive sport.</p>	<p>1. Huge number of children are participating in after school clubs but there has been a huge increase in the number of children participating in extra-curricular sport.</p> <p>2. Regular PE with class teachers (supported by coaches from RSSP and Ashcroft Gymnastics) has improved the quality of PE lessons. Participation in extra-curricular sport. Friendlies, festivals, tournaments, after school clubs (Gymnastics, netball, dodgeball, badminton) and break time/lunch time activities.</p> <p>3. Staff CPD with RSSP (FMS) has been a huge success and the staff are more confident with using iPep planning to support their planning and then delivering the lessons effectively. Staff Gymnastics CPD – building confidence and knowledge. RSSP Dance coach CPD helped engage and raise staff knowledge.</p> <p>4. Reviewed curriculum map ensured that the children engage in a wide range of different activities in line with national curriculum expectations.</p> <p>5. Participation in competitive sport through (RSSP) Rossendale School Sports Partnership. Achieved School Games Mark: Bronze award 21-22. Gold award 22-23. Gold award 23-24.</p>	<p>1. Children have become more active at different parts of the day.</p> <p>Next year, we will continue to develop how active the children are outside of PE lessons.</p> <p>2. Children have become more engaged with getting involved in PE and sports.</p> <p>Next year, we need to look at building more links with local schools and inviting them into school. We can also signpost able children to some of the local clubs.</p> <p>3. All staff from EYFS to Year 6 are now more skilled to deliver all areas of the NC to their class. Staff were more confident when delivering the other session without the support of the specialist PE teachers.</p> <p>Next year, through RSSP and Ashcroft coaching continue to push, Dance, Gymnastics and Fundamental Movement Skills for all year groups.</p> <p>4. Children have participated in a range of activities and sports during both PE lessons and as part of after school clubs. Next year, aim to improve overall fundamental movement skill through use of iPep PE planning. Tailoring planning to challenge all pupils and differentiate task.</p> <p>5. The profile of PE has risen throughout the school due to the extra & intra-school activities. Children are more excited about participating in competition. Continue to participate in more inter-school activity (at a level appropriate for our children). Competitive PE lessons in KS2.</p>

Vision: ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle and lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

SECTION 3 –PROVISION AND BUDGET FOR THE COMING YEAR 25-26
£17,610

Plans below outline how we intend to spend our Primary PE and Sport Premium funding this academic year, including identification of which of the 5 key indicators that priority relates to. (The greyed out boxes will be re-visited later in the year to review and plan next steps.)
